

SETTLEMENT OF INCOME REPLACEMENT BENEFITS – REQUIRED INFORMATION

Page 1 of 1

The objective of this valuation consists of calculating:

- The overdue payments, with interest at the prescribed rate
- The present value of the future Income Replacement Benefits (IRB)

In addition to the form “**REQUIRED INFORMATION FOR ALL CIVIL LITIGATION FILES**”, we require the following:

- the IRB end date (if applicable)
- the weekly IRB at the end date (or current if still in payment)
- specifics about other sources of income that would affect the level of IRB payable
- any options elected by the injured (ex: indexation provision)
